

KEVIN ANDREWS MP

Liberal Member for **MENZIES**

029/6721

Mr Stephen Mayne

TEMPLESTOWE VIC 3106

Dear Mr Mayne

The forthcoming federal election will be of decisive importance to the future of our country.

We will have the opportunity to re-elect a Coalition Government with a proven commitment to the things that matter most to Australian families.

If I have the honour of being re-elected as your representative in the federal parliament I will continue to drive those issues which residents have told me are of the most pressing importance:

- **A strong and prosperous economy**, both nationally and here in communities across the electorate of Menzies;
- An education system which provides parents with a choice between **well-resourced government schools** and **quality independent schools**; and
- A local transportation network incorporating both the **East West and North East Links**.

And I will continue to fight for those outcomes that have been a priority of mine since I entered the parliament. These include:

- **A better deal for families** – to give our children the best possible start in life, and to ensure continuing support for older citizens in our community; and
- **More support for our carers and community groups** – to help these important organisations continue and expand their invaluable work.

The Coalition team brings a diversity of personal and professional experience to the task of governing, ensuring Australia is well placed to transition from a resources based economy to a vibrant, innovative, more diversified economy. **Recent strong economic data is very encouraging.**

For these reasons I urge you to help re-elect the Coalition Government at the next federal election by supporting me in the electorate of Menzies and the Liberal-National team in the Senate.

If you are unable to physically attend a polling booth on 2 July you may wish to lodge a vote by post. To that end I have enclosed a **Postal Vote Application** which you should complete and return.

If I can be of any assistance, please don't hesitate to call me or my team at my electorate office.

Yours sincerely

The Hon. Kevin Andrews MP
Liberal for Menzies
