

MALCOLM TURNBULL
PRIME MINISTER OF AUSTRALIA

007

Mr N Thomas

Dear Mr Thomas,

Federal elections are always close.

And every vote will count. **Including your own.**

Your electorate of Warringah has been targeted by Green and other activist groups to encourage a protest vote against my colleague Tony Abbott.

Labor needs to win only 14 seats to deliver a hung parliament.

Your protest vote, be it directed to Labor or Independent, could **inadvertently deliver Bill Shorten as PM.** That's a recipe for chaos.

I need every local vote, for the Liberal Party, including yours, to ensure a stable MAJORITY Government for Australia.

With the heavy targeting of this seat by pro-Labor activists, only a local Liberal vote for my colleague, Tony Abbott, ensures stable majority Government, with a clear and detailed economic plan.

This plan will provide jobs and growth, real funding for the Aged, Education, and our Barrier Reef protection project and Medicare guaranteed.

With your local vote I can see things through.

Yours,

Malcolm Turnbull
Prime Minister
